Creating a Collaborative School Culture:

The Arts Integration Team Process

A+ Schools Program's 20th Anniversary Conference

August 3-5, 2015

20 YEARS

learning through **the arts**

If people work together in an open way with porous boundaries - that is, if they listen to each other and really talk to each other - then they are bound to trade ideas that are mutual to each other and be influenced by each other. That mutual influence and open system of working creates collaboration.

Richard Thomas

nature of art is revealed.

Steve Lacy

I think it is in collaboration that the

What are three things that impact a school's capacity for collaboration?

Get up, and share your thoughts with three different people.
